INCLUDING CHILDREN

DISPOSABLE 3-PLY POLYPROPYLENE EARLOOP MASK, SMALL/X-SMALL

Disposable 3-Ply Polypropylene Earloop Mask: 50/Box

Face masks are of a 3-ply pleated lightweight, breathable polypropylene material providing minimal protection against airborne particles and saliva. Masks feature a metal fixed nose clip and elastic earloops. Product is latex-free.

Material:

- 1st ply, 30gsm spun-bond Polypropylene
- 2nd ply, 25gsm melt-blown Polypropylene (Filter)
- 3rd ply, 30gsm spun-bond Polypropylene

20 boxes of 50 masks in a bag per case. 1,000 masks per case total.

Masks DO NOT meet NIOSH or EN Standards and provide no claims of protection from COVID-19.

Mask has a filtration level of 97% BFA or 0.03microns.

Masks are NOT intended for Medical use.
