## ABOUT THE PRODUCT

Our TenActiv™ STXPNRPVB feature padded palms for comfort and protection when material handling. They're made from TenActiv™ engineered yarn to provide 360° cut protection with the industry's highest ANSI A9 cut resistance plus back-of-hand impact protection against knocks and bumps. Designed to perform in any environment that presents a high level of cut and impact hazards, they also feature a hi-viz color for visibility and worker hand placement while micropore nitrile palms offer grip in wet conditions.
