

PREMIUM BLACK NITRILE GLOVES

6-Mil | Fully Textured | Powder-Free | Latex-Free

Eliminate the need to compromise comfort for protection. These 100% powder-free black nitrile gloves are manufactured without the use of irritating proteins, such as latex to safeguard against the risk of adverse allergic skin reactions. Our nitrile gloves are designed to have a balanced fit and provide superior durability. The black color hides dirt and grime; fully textured for enhanced grip in wet and dry conditions.
