PD1902

Predator Mechanics Gloves

Cut Protection Specification Sheet

PRODUCT DESCRIPTION:

Do you need excellent grip, dexterity and serious protection? Just like your 35 inch mudslinging truck tires which protect you from hazards in the woods, grab a pair of the Predator™ powered tire tread silicone gloves to face the grit-n-grind on the job site! The MCR Safety Predator® mechanics gloves will give you the grip, durability and protection you need to handle anything the job throws your way. The MCR Safety Predator® PD1902 is a "TaskFit" design that features a HyperMax™ liner in the palm that gives this glove outstanding cut resistance. It also features a super stretch knuckle region for greater flexibility, a premium black leather synthetic palm with red silicone tire tread pattern grip. Looking for the best mechanics gloves? Look no further than MCR Safety!

FEATURES:

- "TaskFit" designed fit
- Super stretch knuckle region for greater comfort
- Cut resistant HyperMax™ lined palm
- Premium black synthetic palm with red silicone tire tread pattern grip
- Black spandex back with breathable fourchettes
- Hook and loop closure with ID panel
- Abrasion resistant gloves

APPLICATIONS:

Agriculture, Automotive , Construction, Demolition, Farming, Landscaping, Material Handling, Warehousing
