Re: GFA Production (Xiamen) Co., Ltd Voluntary Recall of Easy Care First Aid® Burn Cream 0.9g Single-Use packets, impacting [Adventure Medical Kits and Easy Care Kits.

Dear Sir or Madam:

We are contacting you because you are a customer of Adventure Ready Brands' Easy Care Kits

This is to inform you that Adventure Ready Brands has been notified of a product recall involving one lot of Easy Care First Aid® Burn Cream 0.9g Single-Use packets which were used as a component in Easy Care Kits. The recall has been initiated by GFA Production (Xiamen) Co., Ltd of Xiamen, China because of identified microbial contamination that could lead to a serious adverse event, especially if the topical cream is used by individuals that are immunocompromised.

Based on the recall notification that we received from GFA Production (Xiamen) Co., Ltd, and a review of our information, Adventure Ready Brands has determined that its sub-recall impacts the following item number / lot combinations that were shipped to you.

Item Number	Lot Number	Quantity	SKU UPC	Case UPC
9999-2128	W05L28	140	814471019283	10814471019280
9999-2129	W05L28	70	814471019290	10814471019297

Refer to the images below for guidance on where to find the lot code details. If your product does not have a lot code that is listed in the table above then it is not part of this recall and can be used as intended.

Easy Care First Aid® 10 Person ANSI

Lot W05L28
Lot W06F10
Lot W06H15

Easy Care First Aid® 25 Person ANSI

Lot W05L28
Lot W06H15

We shipped these products to you on 3/8/2022 through 7/28/22. We request that you immediately examine your inventory, quarantine any kits subject to recall, and return the kits via parcel post to:

Adventure Ready Brands, Inc.
944 Industrial Park Rd.
Littleton, NH 03561
Attention: RETURNED GOODS
RMA# SRO13979

If the amount of product exceeds the amount for a parcel post shipment please ship collect via FedEx freight.

GFA Production (Xiamen) Co., Ltd is conducting this recall to the consumer level. Therefore, if you further distributed this product please identify these customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter, and must include instructions to the customers to return product to Adventure Ready Brands.

You will be credited for the returns and postage associated with the above noted lots. As stated previously, please understand that only lots of product listed above are subject to the recall, and Adventure Ready Brands will not provide credit for products bearing lot numbers other than those referenced above.

Please be assured that this recall impacts only the 0.9g Single-Use burn cream packets, all of the other components in the kit meet their applicable standards for identity, strength, quality, purity and potency.

Finally, we respectfully ask that you complete the enclosed Recall Return Response Form and return it to us by email to pmarsh@adventurereadybrands.com as soon as possible.

If you have any questions, the contact for this recall is Patience Marsh, who can be reached at pmarsh@adventurereadybrands.com or at (603)-837-0285.

Your assistance is appreciated and necessary to accomplish this recall.

This recall is conducted by GFA Production (Xiamen) Co., Ltd with the knowledge of the U.S. Food and Drug Administration. Further information about this recall can be found on the FDA's website:
